## 2010 Schedule

**June 28 - July 2 "School's Out!" Week** - What a fun way to jump into summer break! Designed to introduce newer and/or less experienced CSF riders to our summer program. All ages and abilities are welcome. We'll have fun activities and different challenges for the more advanced riders, too.

**July 12 - 16 Combined Training** - Fun and intensive session of flat work with focus on equitation and riding precision patterns. For our jumpers, daily work on effective riding over a course. Participants in this session will have the opportunity to attend and participate in the Schooling Dressage Show at Fox Ledge Farm in East Haddam on Weds. July 14th.

**July 26 - 30 Horse Show Prep** - A hit in previous years, this week will focus on all aspects of preparation and participation in horse shows. Show grooming, schooling and ring etiquette for flat and over-fence classes will be covered. Riders will have the opportunity to participate in a show at the end of the week. We welcome all riding levels for this week.

**August 16 - 20 Combined Training** - Fun and intensive session of flat work with focus on equitation and execution of precision patterns. With hopes of working with riders who participated in the first Combined session, an advanced approach will allow riders to ride several horses through each revolution.

\*\*If a level of interest is determined that requires more weeks, we will add to this schedule. If you have an interest or question about the suitability of a particular week, please contact us at 203-484-2193.

**Riders should come with the following:**

- Riding attire including long pants and boots
- Change of clothes for the fun stuff including bathing suits
- Sunscreen and a water bottle
- Snack (juice and cookies provided)
